

HKU Student Research Team
Project DC03 Pre-election Fieldwork Report Form

This form can be downloaded from the project webpage. It should be completed on the day of each fieldwork session and submitted to the project organizer by email to hkusrt@hkupop.hku.hk, or by uploading to the project website directly.

Name of person(s) submitting these fieldwork notes : Wong Nga Man

Name of constituency visited (please use one form for each constituency) : Kowloon Tong

Field trip details –

Date : 18/11/03 Time : 2:45pm-3:45pm Venue : Kowloon Tong MTR Station, Beacon Hill, Broadcast Street

Description of the process (whether alone, accompanied by teammates, friends, campaign workers... etc.)

I did the field trip with one of my friend. We started our field trip at 2:45pm, first we strolled down the street leading the MTR station to Beacon Hill, then to Broadcast Street. On the way, we took pictures at the campaign banners.

We also traveled on the 29B and 29A van, posters were posted on the window of the vans, and we have interviewed some travelers.

Because there was not much people on the street, we failed to do interview from the passer by, and we left at 3:45 pm.

Record the main purpose of your field trip by ticking on one or more of the following objectives:

To count, record, and analyze the content of campaign posters, banners, leaflets, etc.

- To observe campaign activities, like forums, door-to-door visits, open petitions, on-street broadcast, etc.
- To interview candidates and campaign workers.
- To interview electors and ordinary residents.***
- To take pictures, or collect campaign material for scanning.***
- Other purposes (please specify) : _____

Recording basic figures – like how many posters and where, how many people attended the forum during different time period...etc

At the MTR and KCR Station, there were altogether 8 banners, 4 from candidate No. 1 and 4 from candidate No.2.

At Beacon Hill, there were altogether 15 banners, 7 from candidate No. 1 and 8 from candidate No. 2.

At Broadcast Street, there were altogether 10 banners, 5 from candidate No.1 and 5 from candidate No.2.

I have interviewed a student, and a pair of couples. They told me that they have not registered as electors, as they cannot recognize the councilors, and they did not think that the councilors cannot really help them .

Description of findings – could be in the form simple narrations, or in the form of questions and answer...

Competition is not keen in this district. As I live in Beacon Hill, I can observe that not much campaign activities have been helped. Candidate No. 1, Ho Hin Ming has been staying in the street to say good morning to the residents in the morning, but only lasted for a week. The other candidate, Gary Yuen, never appeared. It is quite strange for me.

Conclusions drawn from your observation
