Field trip details –

Date : 17/11/03 Time : 16:30 Venue : whole district

1) Work in pair

Walk around with stops at interesting items and areas

2) Candidate 1: 11 banners ( some composed of paper posters)

Candidate 2: 9 banners

Both use party colours

3) Sparsely situated banners

Candidate 2 is more specific in his policy proposal, such as reduction of car park rents

Candidate 1 is less so, and places more focus on the general political development of HK, such as universal election of CE

4) Limited display of promotion materials, maybe due to private residence

Party affiliation influences the design of the policy proposal

6) In what ways can a District Councilor help in the macro level of political reform? Or is it just gimmick?

How does party decide on which member to deploy to a particular district?
